

## Achieving Literacy for Life

**Providing multisensory, structured reading and spelling curricula and targeted professional development to help schools meet their literacy goals.**

Wilson Language Training offers school districts the opportunity to develop an implementation plan using our Prevention, Early Intervention, Intervention, and Intensive instructional models. These models help define Wilson best practices for targeted student populations.

Wilson instructional programs, professional development courses and on-going support offer schools realistic solutions to help prevent and reduce reading failure.

<b>Instructional Model</b>	<b>Student Population</b>	<b>Wilson Program</b>
<b>Prevention</b> <i>Building a foundation for all students</i>	Grades K-3 General Classroom	Fundations®
<b>Early Intervention</b> <i>Reaching students who struggle in the regular classroom</i>	Grades K-3 Lowest 30th %	Fundations®
<b>Intervention</b> <i>Raising students' reading and spelling success</i>	Grades 4-Adult Students Decoding Below Grade Level	Wilson Reading System®
<b>Intensive</b> <i>Empowering students with special needs</i>	Grades 2-Adult Diagnosed Language-Based Learning Disability	Wilson Reading System®
